**Re.: Approved EPT Flexitanks on the CN Network**

Dear Elena:

In May 2012, EPT completed all the test trips required by CN, with liquid-filled Flexitanks in 20ft containers.

The CN Tariff 6800, pertaining to Rules and Regulations for the Acceptance of Intermodal Containers, has been updated to reflect the approval of EPT's Flexitanks for 20ft containers.

It is with great pleasure, that we add you as our first approved Flexitank manufacturer for shipments in 20ft containers.
